The plot marked 'E' measuring 1819 sq yards which is proposed to be given from the grounds of the Mental Hospital is now a part of the garden of the Hospital and its removal will not cause much inconvenience to the Hospital proper Besides the Mental Hospital itself is proposed to be shifted into a new building in the near future This plot may be given as proposed by the Municipal Commissioner

As regards the construction of the compound wall at 'T U V' the Commissioner remarks that it will be constructed 'if necessary' A high compound wall at T U V' of the same type as now exists at 'P Q' with glass bits on the parapet is very necessary as otherwise the inmates of the Hospital who are all mentally defective, will escape through this way, and it will not be possible to keep them within bounds The wall at 'T U V' will have to be constructed even before the wall at 'P Q' is dismantled, in consideration of the safety of the inmates of the Mental Hospital

3. Evidently the President of the Rent Court thinks that the title of Sri Krishna Iyengar to the land in question is undisputed & that no formal acquisition is necessary. It seems therefore sufficient to have regular deeds executed & registered for the exchange of lands as proposed. A reference to this effect is added in the draft.

Chief Secretary to the Government of
His Highness the Maharaja of Mysore
Bangalore

Sir

I have the honor to state that it has been under consideration to extend the new road to the west of the Central Jail, so as to connect it with Arcot Srinivasachar Street It will then serve as a parallel road to the present Avenue road

The first stage of this project will be to take the road up to Hospital lane i e the lane adjoining the Mental Hospital to the south To do this it is necessary to take up a portion of the compound of "Manorama" the residence of Dharmaprakasa Mr B V Krishniengar

I am sending herewith a plan showing the new road to the west of the Central Jail and its prposed extension through "Manorama" compound to the Hospital lane

'P Q' is the eastern compound wall of 'Manorama' separating it from the Mental Hospital Grourds It is proposed to take over from 'Manorama' the plot marked 'PQRS' in the plan This includes the area required for the road-way viz 1,857 square yards and the triangle marked 'C' covering an area of 887 square yards or total 2,744 square yards The width of the road-way will be 50 feet Out of this, Mr Krishniengar ~~is~~ has agreed to give away half the area actually taken up by the proposed road, free of cost This free gift will be 929 square yards For the balance viz 1,815 square yards Mr Krishniengar desires that an equivalent extent of land might

be given to him in exchange out of the Mental Hospital compound I suggest that the plot marked 'E' measuring 1,813 square yards might be given away to Mr Krishniengar out of the grounds of the Mental Hospital

It will be observed from the plan that the road-way will cut through the compound of the Mental Hospital at its south-west correr and the triangular plot of ground marked 'B' will have to be relinquished for the road-way

I request that Government may be pleased to sanction the above proposals If these proposals are sanctioned the compound wall at 'PQ' will have to be re-built at 'SR' and the wall 'PT' of the Mental Hospital will have to be removed and another wall built along 'TUV' if necessary

I may add that necessary action is being taken regarding the formation of the road

I have the honor to be,
Sir,
Your most obediert servant,

M Seshadrees
Municipal Commissioner.
